WORK EXPERIENCE

- **Full stack developer**

GO IMMIGRATION

6/21-9/21

I worked on a web app for Go Immigration which was to make customer management and sending real time notifications via emails to the registered customers.

- **Intern**

CAMPOST

6/21-9/21

This is a government postal agency where I was intern this year, in which I was building a web application for the management of the IT center. I worked on this project parallel to the one above.

EDUCATION

- **B.Eng in Computer Engineering**

UNIVERSITY OF BAMENDA

2019-Present

- **GCE-Advanced Level**

TENFA BILINGUAL COLLEGE

2017-2018

CUSTOM TITLE

REST Framework

Vue.js and React.js
